### Ultimate Owner definition

The path from the company to its Ultimate Owner is minimum 50.01%

I consider a company the Ultimate Owner if there are no identified shareholders or if the shareholder percentage is not known.

### Beneficial Owner definition

The minimum percentage of ownership at the first level is 10.00%, the minimum percentage at further levels is 50.01%

I also consider all individuals at the top of a path who have an unknown % of ownership (% such as '>x%' are considered as unknown)

I also consider all individuals at the top of a path (with the requested % at further levels) who have a percentage of min 10.00%
